

Greater New Orleans Master's Commission

To know God and make Him known

CORE VALUES

Personal Discipleship: "Follow me as I follow Christ" Students will participate in the experience of being mentored by pastors and directors as they grow in their relationship with God. Accountability, great teaching, and a rigorous commitment to know God will encourage the development of the whole person for Jesus Christ.

Personal Discipline: When a student makes a commitment to Master's Commission, they make a commitment to focus entirely on Jesus Christ and the growth of their relationship with Him. Part of this commitment is being dedicated to all requirements of the Master's Commission.

Daily Devotions: Every day there will be significant time set aside for passionate prayer, memorization, and reading of the Word. In addition to personal devotional time, students will be able to share ideas and thoughts in group devotions.

Evangelism: "Serve, not be served" The focus of Gnomc is rebuilding hearts and homes in the midst of this devastated city. Our mission is to show God's love through word and deed for those affected by Hurricane Katrina.

Equipping for Service: Each student at Gnomc will learn that they are called to be "in the world but not of it" as they pursue a future in full-time ministry or as they live out their faith in the work place.

What Makes GNOMC Unique?

The Greater New Orleans Master's Commission is being birthed in a city healing from the wounds of Hurricane Katrina. Our aim is to give people hope through Jesus as we work side by side to bring life to our community. A significant amount of our time will be spent helping homeowners and local churches. We are looking for those individuals who are willing to give their all and allow Christ to change their lives forever. Plant a church, rebuild the city, advance the Kingdom.
