Our curriculum is derived from Teaching Strategies' Creative Curriculum. It is play-based and learner-centered. This learner-centered approach is sensitive to each child's development and provides appropriate challenges to stimulate each child's successive mastery of concepts. Our preschool program is a balance of both structured and non-structured group times.

ALL NATIONS
MOTHERS DAY OUT
PRE-SCHOOL

Welcome to our Mother's Day Out – Preschool Program. We are excited to share our love, talents and energy with your child. We look forward to many fun-filled days and know your child will also. We offer a safe, nurturing, eco-friendly environment helping you raise confident, creative learners!

We believe children are active learners, explorers, experimenters, and artists. That they learn at different rates in different ways. That each child is

"Every child has, at birth, a greater potential than Leonardo Da Vinci ever used."

— Glenn Doman

unique and gifted.

It is our desire to provide an engaging, interactive environment and experiences that will allow your child to grow physically, emotionally, cognitively and socially.
